*Kiss the abyss
I'm falling in
Chasing relentlessly
I can hardly fucking breathe*

Am I what you want?

*Yeah I'll be alright, yeah I'll be just fine
I'm sorry I cannot be*

*Letting go, carry us away
Remember how the sky was
Blushing it wrapped around you and me*

Its hard

*My soul hurts and I think I've got tinnitus
At least my Mum thinks I'm pretty*
